# Administration, Portal

## How do I access the PubSafe portal?

A user must have at least the Base version of the PubSafe app to log in. Users with the free version can log in to view the member map but cannot see organization tools such as dispatching. Features and functionality increase with upgrades to the mobile app. The lowest level to access dispatching, volunteer hours tracking, CRM and other tools is the Pro level.

On our website choose the Login menu from the top right corner or click the link below.

Login - Pubsafe - Citizen Public Safety Network

Unique solution ID: #1042
